Morning Parade and Morning Assembly Formation

Assembly Programme

The assembly programme is a time of the day when the school community gets together to spend some quality time as one big family. All students should use this opportunity to learn social skills and protocols to grow social grace and respect for others.

Note: Morning assemblies will be conducted in the classroom when the national posture requires the schools to adopt Safe Management Measures.

- The school will conduct two exercises each year to familiarise all with emergency evacuation procedures.
- When there is a need to evacuate, you will hear a continuous ringing of the fire alarm or siren from the PA system.

2. When the alarm is raised:

- Be on standby and **wait** for further instruction given through PA system **before** proceeding to the assembly area (sometimes it may be a false alarm!).
- Leave the classrooms and line up quickly in an **orderly manner**. The teacher/class monitors must do a quick accounting of students. Bring along **only valuable** items and leave other belongings in the classrooms.
- Monitors must **switch off** the lights, and fans. **Switch off** bunsen burners in the science labs.
- Students are to move in an **orderly** manner led by the subject teacher in the direction shown in the evacuation plan displayed in the room. Classes on the **lower floors should give way** to classes on the upper floors during evacuation.
- Upon reaching the assembly area, classes will form up in **2s**, according to register no.

SCHOOL ASSESSMENTS AND EXAMINATIONS

A. WEIGHTED ASSESSMENT (WA) & SEMESTRAL ASSESSMENT (SA)

- 1 WA and SA are the means used by the school for the purposes of promotion, retention or transfer of students across courses at the end of the year.
- 2 WA may include assignments, tests and other forms of alternative assessments. WA are used to determine student's level of understanding of the various subjects. Based on such assessments, teachers are able to give feedback to students for improvement.
- 3 SA are examinations that are more evaluative in nature. They may be conducted once or twice a year.
- 4 Absentees for WA or SA must submit a valid Medical Certificate (MC) to form teacher and a duplicate copy to subject teacher.

B. PREPARATION FOR SEMESTRAL ASSESSMENT

- 1 All class desks and lockers must be cleared of any files, books and papers.
- 2 Classrooms must be kept clean and tidy at all times.
- 3 All books, notes and files must be placed neatly outside the examination venue before the examination begins.
- 4 All students must report to the examination venue at least 15 minutes before the start of the paper.

C. EXAMINATION RULES AND REGULATIONS

- 1 Students must be in approved school attire. They may be subjected to attire checks such as removal of jackets, turning out of pockets etc. to preserve the integrity of the exams.
- 2 All students must take note of their own examination timetable. The school will not entertain any plea of ignorance. For example, during the exam period, papers on Mondays start at 8.00 am and students have to report at 7.30 am for flag raising.
- 3 During the exam period, students need not report to school on days when they do not have any exam papers. For papers that start later than 8.00 am, students must report to the exam venue 15 minutes before the paper commences. They can leave the school at the end of their last paper for the day.
- 4 Only a valid MC will be accepted for absence from exams. The MC must be submitted to the Form Teacher on the day the student returns to school. Zero marks would be given if a student is unable to produce one. Letters will not be accepted. In cases of extreme domestic exigencies, the school reserves the right to exercise the final decision.

LOVE YOUR PERSONAL LEARNING DEVICE (PLD)

Rule #1: Prevent Electrical Damage

PLDs have electrical components that may malfunction when in contact with fluid, heat and rough handling.

- ✓ No food/drink allowed next to your PLD.
- ✓ Do not force your PLD into your locker/bag.
- ✓ Carefully insert cables and storage devices into the ports.
- ✓ Do not expose your PLD to extreme temperatures or direct sunlight for extended periods of time.
- ✓ Do not pick up your PLD by the screen. Carry it with care.

Rule #2: Protect your PLD

PLDs are particularly sensitive to damage and misuse.

- ✓ When not in use during lessons, close your PLD and place it at the top left corner of your table.
- ✓ Do not force draw, write or put pressure on your PLD.
- ✓ Pull down the screen gently.
- ✓ Do not poke the screen with sharp objects.
- ✓ Do not bump your PLD against lockers or walls.
- ✓ Only clean the screen with a soft, dry micro fibre cloth or anti-static cloth.
- ✓ Do not store your PLD with the screen open.
- ✓ Do not crack the screen – make sure there is nothing on the keyboard – e.g. no pencils, disk drives or rulers – before closing your PLD.

Rule #3: Use Appropriate Technical Support

Any attempts to repair your PLD yourself would void the warranty and cause you to incur additional costs

- ✓ Do not wilfully tamper with the settings of your PLD.
- ✓ Do not attempt to pry open your device or alter the hardware of your device. This would void the warranty! You will bear the entire cost of repairs!
- ✓ Always seek help from the school's Tech Support Team.

 - **Who** were the people involved? Any witnesses?
 - **What** happened leading up to the loss of the PLD?
 - **Where** did you lose the PLD?
 - **When** did you lose the PLD?
 - **How** did the PLD go missing?
- 2) Report to IT Support Office in Computer Lab 1
- 3) Call Help Desk at 800 8526100, between 0900-1800hrs from Monday to Friday

Rule #5: Prolong Battery Lifespan

The average battery life is about 5 hours.

- ✓ Shut down your PLD when not in use.
- ✓ Remember to fully charge your PLD at the end of each school day.

MY PHYSICAL WELL-BEING

Body Mass Index (BMI)

- The BMI is a tool that measures the weight of an individual in relation to the height.
- It is a guide to determine if an individual is at risk of Weight-related problems.

| BMI (kg/m ²) for Teens | Health Risk |
|------------------------------------|--------------------------|
| 27.5 and above | High Risk |
| 23.0 - 27.4 | Moderate Risk |
| 18.5 - 22.9 | Low Risk (Healthy Range) |

$$\text{BMI} = \frac{\text{Weight (kg)}}{\text{Height (m)} \times \text{Height (m)}}$$

7 Tips to Maintain a Healthy Weight

- ✓ The best way to keep your weight within the healthy weight range is by eating sensibly and exercising regularly.
- ✓ Aim at reducing your excess weight steadily by no more than 2kg a month till you reach your healthy weight range.
- ✓ Start slowly. Don't try to lose all the excess weight all at once.
- ✓ Cut down your time spent on TV or computer games. Do some exercises at intervals e.g. stretch your legs and touch your toes, help your mummy sweep the floor.
- ✓ Eat at regular mealtimes and don't skip meals. Always start your day with a healthy breakfast.
- ✓ Eat plenty of fruit, vegetables and wholegrains (e.g. barley, maize, oats, unpolished (brown) rice or whole meal bread) as these help to keep you full.
- ✓ Drink plenty of water or unsweetened juice instead of soft drinks.
- ✓ Get your family involved. Follow your parents to do grocery shopping and help them pick healthier snacks, e.g. fruits, plain biscuits or yoghurt instead of salted chips or cream biscuits.

7. My Co-Curricular Development

CO-CURRICULAR ACTIVITIES - LEAPS 2.0

A holistic education provides students with a broad and deep foundation for lifelong learning. This includes learning not just in the academic areas. Equally important is the development of values and life skills in each child. This will equip the child to handle the challenges in life later on.

A holistic education also supports students to discover their strengths, interests and talents. Students tend to flourish in areas they are interested in. Thus, as far as possible, we should allow them to pursue their areas of interest.

Schools offer a range of co-curricular programmes to help students achieve a holistic education. Community service is also invaluable in helping students develop qualities such as care, concern and respect for others in society.

LEAPS 2.0¹

LEAPS 2.0 is a framework to recognise secondary school students' holistic development. Students will be recognised with levels of attainment in four domains: Participation, Achievement, Leadership and Service.

LEAPS 2.0 DOMAINS

Participation

This domain recognises students' participation in one school-based² Co-Curricular Activity (CCA). Recognition is based on the number of years of participation and exemplary conduct and active contribution³ to the CCA. Sustained engagement in the same CCA allows for progressive development of character, skills, knowledge and friendships, and will be accorded higher recognition.

Service

This domain recognises students' development as socially responsible citizens who contribute meaningfully to the community. Every secondary school student will contribute at least 6 hours per school year to the community. They can choose to embark on a Values-In-Action project (VIA). Students will be recognised for the time they put into planning, service and reflection, when participating in a VIA project.

Leadership

This domain recognises students' leadership development. Recognition is accorded to students' ability to take charge of personal development, work in a team and assume responsibilities in service of others. In addition to formal leadership appointments, participation in student leadership modules/workshops, the National Youth Achievement Award (NYAA) and leadership positions in the school, CCA or student-initiated/student-led projects will also be recognised.

Achievement

This domain recognises students' **representation** and **accomplishment** in co-curricular involvements beyond the classroom. Opportunities for representation and accomplishment present valuable learning experiences for students to learn discipline, resilience and develop their character. Students may represent the school or organisations endorsed by the school. Recognising external opportunities better caters to students' diverse interests and talents. It also recognises the community's role in developing the child.

Representation refers to being selected and endorsed by the school or an organisation endorsed by the school (e.g. the community club or national association) to contribute, perform or compete. It need not be tied to his/her CCA in school.

Accomplishment refers to attaining accolades and awards at competitions, festivals, performances, exhibitions, conferences and symposiums where the student represents the school or other organisations endorsed by the school. The details on the levels of attainment for each of the domains are attached at [Annex A](#).

Recognition of Students' Level of Attainment

At the end of the graduating year, students' co-curricular attainment will be recognised according to Excellent/Good/Fair. The level of attainment will be converted to a bonus point(s) which can be used for admission to Junior Colleges/ Polytechnics/ Institutes of Education (JC/Poly/ITE).

¹ LEAPS stands for Leadership, Enrichment, Achievement, Participation and Service. LEAPS 2.0 builds on the LEAPS system to better reflect MOE's current emphasis on Student-Centric, Values-Driven education.

² School-based CCA refers to CCA that are organised within the school or have been endorsed by the school.

| Co-Curricular Attainment | Details |
|-------------------------------|--|
| Excellent (2 bonus points) | Student who attains a minimum Level 3 in all four domains with at least a Level 4 in one domain. |
| Good (1 bonus point) | Student who attains a minimum Level 1 in all four domains with any one of the following: i. At least Level 2 in three domains; ii. At least Level 2 in one domain and at least Level 3 in another domain; or iii. At least Level 4 in one domain. |
| Fair | Student's attainment in co-curricular will not translate into any bonus points. |
